

FROM YOUR RABBI: ENJOYING OUR SUMMER

This copy of our Bulletin is the last of our fiscal year, which ends on June 30th. We don't publish a Bulletin in July and August, so take a look through these pages to see what's happening at Ohev Sholom during the summer months and how you can stay as busy as we are as the fall approaches.

While the kids are away at camp, and you're busy in the garden and preparing for a week or two at the shore, we're closing up the year and preparing for 2018-19. Please take a moment to go through your bookshelves to make sure there aren't any books from our Mildred & Irving Hand Library which you have forgotten to return. (Just drop them off at the temple office...no overdue fees, we'd just like them back on the shelves).

We will be joined by our friends from Beth El Temple at services in July, and we will be welcomed at Beth El during the month of August. July services at Ohev begin at 6 PM, August services at Beth El begin at 5:45 PM. (August 24th will be at Ohev Sholom at 6 PM).

High Holidays are on the early side this year. Rosh Hashanah evening services are on September 9, Kol Nidre on September 18. The complete High Holiday schedule is located in the Bulletin. Please make sure to look for your ticket form later this summer.

We are welcoming a student rabbi for the Family Services...Jennifer Queen, who was with us a few years ago. We also welcome back Yael Dadoun this year, to be our cantor at High Holiday Services in the Sanctuary. Yael is living in Cincinnati with her husband Joe as she continues with rabbinical school. Yael will also be with us the weekends we have Bar/Bat Mitzvah services to serve as our student rabbi/cantor. We are thrilled that she will be with us! This does not mean we say good-bye to Cantor Karen Webber. She is always around for us, and we have the nice habit and bringing her back to be with us every once in a while.

In the meanwhile, I'll be around most of the summer...and here if you need me...and if not...enjoy your summer, and stop in on a Friday evening if you're looking for some "spiritual enrichment".

See you soon...

Your rabbi,

Peter Kessler

Ronald Balson's "Saving Sophie"

Temple Ohey Shalom Sisterhood is thrilled to have secured Ron Balson as the author featured. at this year's Rose/Symons Book Review event. Our program on Thursday, November 1, 2018. will feature his second novel, Saving Sophie. Written between his best-selling novels Once We Were Brothers and Karolina's Twins, Saving Sophie is an action-packed tale of intrigue that takes the reader on a unforgettable journey of murder and deception that tests the bonds of family and love. Uke his other novels, it highlights the investigative team of Liam Taggert and Catherine Lockhart. A wonderful read, it is filled with action settings in the Middle East, Hawaii and Chicago. As the mystery plays out, Balson interjects israeli history malding a complicated subject understandable.

Ronald H. Balson is a Chicago trial attorney, educator and author. His practice has taken him to several international venues; his love of history, the Middle East and other travels. have inspired his second novel, "Saving Sophie."

FROM THE PRESIDENT

Finally, it is warmer outside! With the warm weather comes the end of religious school, planning for a busy fall of services and programming, and our annual membership meeting on June 12th. It is there that we take a short time to reflect on the past year and to discuss the many events planned for the year ahead.

Thanks to so many of you, it has been a great year for our temple. Our services are well-attended, our children are learning about Judaism from our committed religious school teachers, and our adult education series taught by Rabbi Kessler has been a hit. Moreover, our budget is balanced and our future looks bright. At the same time, we remember those members of our temple and the relatives of the members of our temple who are no longer with us.

On behalf of the Board, we wish you the best this summer and look forward to seeing you soon.

Seth Mendelsohn Board President

LETTER FROM THE SISTERHOOD: WINGS AND ROOTS

The Ohev Shalom Sisterhood is a community within a community. We are single, married and partnered. We are with and without children. We are born Jewish, Jews by choice and non-Jews married or partnered to Jews. We are new and long-time members. We are mothers, daughters and but most of all we are sisters. And we are growing every day.

Ohev Shalom Sisterhood thrives because it has both roots and wings. Our sisterhood has roots reminding us where we are from, which keeps us steady so we can grow and move forward. In fact, our Ohev Shalom Sisterhood also has wings which was shown by our most recent installation of the new Sisterhood board. The new board is filled with some amazing women with lots of drive, creativity, and insight. This will help oriented us to the future with a congregation unusually open to change.

We have done many things that are different, and we must continue to do many different things in the future as we encourage others to join our group.

It doesn't hurt that the Ohev Shalom Sisterhood has very strong roots; those roots are the strong programs and Temple support which we will continue from the past to the present.

That is the foundation, the roots we will grow from.

Here in the Ohev Shalom Sisterhood, our goal is to provide an environment of friendship, respect, intellectual and spiritual growth for our members, to enrich our Temple as we engage women in the pursuit of Gemilut Hasa-dim (acts of kindness) and Tzedakah (righteousness/charity).

Our sisterhood will honor our roots as we grow into the future with our wings, and we will make a difference.

Join us in Sisterhood to be part of that difference!

You can be as involved much or little as you want to be, whether you come to programs as a "guest" or join in the planning of programs and running the group. You are welcome to come to a meeting, a program, or an event and experience the joys of Sisterhood. You'll be glad you did!

You will benefit from our roots and be part of our wings as our future Jewish generations benefit from the legacy we create.

Sincerely, Denyse Miskin SIsterhood President Don't Forget to send in your uniongrams!

It's a great way to send anniversary and birthday wishes!
