MESSAGE FROM THE PRESIDENT

Dear Temple Ohev Sholom Family,

Summer is on its way, and with it comes sunshine, flip-flops, and (hopefully) a little more time to relax and recharge. Whether you're traveling, hosting backyard BBQs, or just enjoying a slower pace, I hope this season brings joy and connection to you and your loved ones.

Here at Temple Ohev Sholom, behind-the-scenes energy is buzzing! We will be holding meet and greets throughout the summer to welcome Rabbi Jasper and her spouse Yonah! We're also busy planning an incredible lineup of programs and experiences for the fall—and, yes, it's already time to think about the High Holidays (can you believe it?).

A few things to get excited about:

- Religious School will be back better than ever— with fresh programming, new energy, and a warm community feel, we can't wait to welcome back our students and families.
- Fall adult learning and social events – Rabbi Jasper is planning lively discussions and guest speakers to movie nights and holiday celebrations, and we're cooking up some great ways to reconnect and grow together.
- Summer Shabbat services – Yes, they're still happening! These are often smaller, more relaxed, and a great opportunity to try something new—whether it's leading a prayer, singing a favorite melody, or staying after for a treat and some schmoozing

Temple life doesn't pause in the summer—it just takes on a different rhythm. It's a time for recharging, but also for reimagining how we come together as a community in the year ahead. Your energy, your ideas, and your presence are what keep us vibrant.

So whether you're joining us for a breezy Friday night service, volunteering behind the scenes, or just keeping us in your thoughts from afar, thank you. You are a vital part of what makes Ohev so special.

Wishing you a joyful, relaxing, and meaningful summer. Can't wait to see you back in the fall—with your stories, your smiles, and maybe even a tan.

Warmly,
April Hutcheson
President, Temple Ohev Sholom

FINAL FAREWELL FROM RABBI MARC

As I sit to write this article, I have deeply mixed emotions. I am excited for the next chapter in life to begin.

I am grateful for the blessings that 35 years of Rabbinic service have brought to my life. The people, the service opportunities, the people, the lifetime of experiences, the people, and the people - I could not have asked for a more fulfilling, more rewarding career, a more mind and heart-expanding career path. In each place I have served, I have met (and gathered) people who touch and change my life, people I hold close even in distant geographies. THANK YOU FOR BEING SOME OF THE PEOPLE ON THIS LIST! Thank you for the incredible blessings you have shared with Lori and me over the last three years.

I am reflective. Over 35 years of service, I have seen and experienced almost any blessing or challenge a Rabbi could face. As a sitting rabbi, I have led and grown congregations through lawsuits, healing from previously abusive clergy, and abusive community outrage. I have held families through their healing from loss, sometimes horrific loss. I have held the newest of babies, helped bring couples together (and back together), stood with hundreds of young adults through our ritual coming-of-age ceremonies, helped bring people into our faith world, and stood on the front lines - sometimes even the "lightning-rod" for justice and peace-building worldwide.

I will never get the "gold watch" or be the long-term beloved "Emeritus" Rabbi. The call I accepted was to serve. The teachers who have blessed me throughout my life keep reminding me that my work is to pay forward the blessings people have passed to me. I have a strong resume, and I can tell you who pushed, shoved, led, pulled, or talked me into serving for each accomplishment and honor. I pray that I have helped teach people with the love with which people taught me.

The most profound lesson I ever learned came from my Rabbi on the eve before I left for Jerusalem to begin rabbinical school. I had just closed a successful law practice and felt myself jumping into the abyss on a leap of faith. Rabbi Gene Levy wanted to share his deepest, heartfelt advice, and I was eager to learn. "If you don't ask yourself, every day, 'What the hell am I doing here?' you don't belong." I was so disappointed - I was waiting for something profound. It did not take long to realize that those words were life-affirming and honest beyond question. Every day, we must want to be present to serve and change the world. When the day comes that we no longer feel called to serve, it is time to switch gears. After 35 years, I am ready to serve differently now.

I will leave you with four thoughts:

1. Rabbi Levy was not only spot on for clergy; his advice speaks to everyone's everyday experience. Faith begins with the intention of showing up. Whatever our job, task, stewardship, or focus. We must show up with a heart bent on serving and dignifying life around us.
2. If we tiptoe through life quietly, we will allow everyone else to govern our lives. We must stand up for our needs and neighbors' needs - at the same time. Justice and healing is never about one or the other of us - "Justice is never just us." "Shalom" means everyone is whole; as people of faith, that is our mandate. We must not wait for someone else to do the work - it is ours to accomplish.
3. Please stay in touch. The blessings of our time, heart, energy, and commitment should not end simply because we are apart.
4. Love your new Rabbi. Love her enough to remember that she is new and that you need to grow with her. Temple Ohev Sholom stands on the precipice of a significant shift in its trajectory. Dive in and own your place in this family. You have good people serving in leadership, but Torah teaches us that we are all a "Mamlekheth Kohanim - a kingdom of priests." Every member of our Temple family has a role to play. Don't let someone else take your place at the table. Grow the table so that you both have space to serve.

THANK YOU.

As of July 1, 2025, I will be moving to Key West! My email will change to RabbiMarcKline@gmail.com

PLEASE START SHIFTING YOUR NON-TEMPLE OHEV SHOLOM CORRESPONDENCE TO MY NEW ADDRESS!

A MESSAGE FROM RABBI JASPER

Summer has always been my favorite season. It is not *just* because I have a July birthday, but because of all the adventures that come with the season. Instead of being bundled up inside, we're floating down rivers, chasing ice cream trucks, and stargazing.

Summer is when we allow ourselves to regress to our child-like selves and dive into unknown adventures and joyful escapades. It also means that at Temple, we can do many exciting activities that we might not be able to do during the colder months.

For instance, we will have Shabbat at the Senator's game (and someone will have to teach me what is happening), a potluck, and the Harrisburg Pride Parade. There will be many opportunities for me to meet the community, whether over a cup of iced coffee while walking along the river or in the halls of Ohev during Shabbat.

When thinking about these next few months, I get that feeling that happens when the bell rings on the last day of school before summer break—the sense of endless possibilities. When my family arrives in June, we are excited to explore like kids, finding every nook and cranny this new city for us has to offer.

We are excited to adorn our medieval garb, set sail for the Pennsylvania Renaissance Faire, check the farmer's markets, and explore the food scene. We also look forward to catching a concert in Baltimore and exploring Philadelphia, Lancaster, and all the nearby neighborhoods and cities.

But of all the things I am eagerly waiting to do, the one that I am most excited about is walking through Ohev's doors on July 1st and beginning my service as your new Rabbi.

See you soon,

Rabbi Jasper

Festival Series: September 2024 - June 2025

MESSAGE FROM THE EXECUTIVE DIRECTOR

The beginning of May I had the pleasure of witnessing something really special at Temple Ohev Sholom. A program planned and implemented by Ohev's Sisterhood, collaborating with Chisuk Emuna's Social Action Committee, and an organization, Recycle Bicycle. People I knew, people I didn't know, young, old, and in between, came to Temple Ohev Sholom to drop off and donate bicycles. Over forty bicycles were donated by members of the Harrisburg community. Kudos to our Sisterhood for planning this program. To learn more about Recycle Bicycle, please check out their website. <https://rbhburg.org/>

Also in May, a small but mighty committee planned a Mental Health Wellness weekend at Temple Ohev Sholom. Stacy Feldman, who led charge for this weekend, helped to plan a lovely Shabbat Service on Friday, May 16th with the help of Rabbi Marc, Sarah Kawasaki, Linda Grobman, Gloria Kaplan and several readers. The next day, Saturday, May 17th several speakers came together to give vital information about Mental Health Wellness. Representatives from NAMI (National Alliance on Mental Illness), Jewish Family Service, and PennState Health came to Temple Ohev Sholom to share their knowledge. Thank you to the Mental Health Wellness Committee, all the agencies who participated, and a special thank you to Capital Blue Cross who sponsored and lent their support, financially.

I like all the programs that take place at Temple Ohev Sholom, but these two programs were special. Collaborating with organizations within our community is important. I can't wait to share with you more programs like these in the future.

Please keep your eye out for our upcoming summer programs, especially our Annual Meeting on June 12th, our Meet and Greet to meet Rabbi Jasper and Yonah, and don't forget about Rabbi Marc and Lori's last Shabbat at Temple Ohev Sholom on June 27th.

As always if you have any questions or concerns, please do not hesitate to email me at reynajose@ohEVsholom.org or give me a call 717 233-6459.

Yael Levinstein

We are thrilled to celebrate Yael's upcoming Bat Mitzvah on June 7, 2025!

Yael is a funny, smart, and responsible young person whose kindness and creativity shine through in everything she does. A lover of music, she plays the flute in her school band and has taken the stage in many plays and choir performances. Yael is also known for her generous spirit, always ready to help others and be a supportive sibling and friend.

We look forward to sharing this special milestone with the Ohev Sholom community!

We sincerely apologize for the proofreading error in last month's newsletter, where Harriet Katz and Barbara Danowitz were listed as "In Memory Of" instead of "In Honor Of." Both are very much alive and well. We deeply regret the mistake and any distress it may have caused.

JACKSON ROSENBERG

On June 14, 2025, Jackson David Rosenberg will be called to the torah. Jackson is wrapping up his 7th grade year at Harrisburg Academy. He has attended the Academy, since Kindergarten. Jackson is an enthusiastic student always curious about the “why” in every subject.

In addition to his academic pursuits, Jackson is a passionate sports enthusiast who plays sports all year round - soccer, basketball, and currently two flag football leagues. He is also a thrill seeker, constantly trying to beat his top speed on the slopes while snowboarding, or finding the roughest, woodsiest terrain to ride through. When he's not playing sports, Jackson enjoys playing video games and spending time with his family and friends and his dog Finley.

Jackson is a very compassionate and caring person. His love for animals led him to raise over \$400 for Speranza Animal Shelter and create homemade treats and toys for the Harrisburg Humane Society, as his service project.

Jackson's torah portion is B'haalot'cha, meaning “when you raise up” which recounts a series of complaints from the people and then Moses after being freed from slavery.

Jackson's parents, Matt and Mia along with his sister Addy are excited to celebrate Jackson and are so proud of all his hard work.

Thank you to all of you who remembered me on my birthday with your Uniongrams, cards, emails and phone calls.

-Irith Harpster

ISAAC NEPON

Isaac Nepon will be called to the Torah as a Bar Mitzvah on Saturday, August 16th at 10:30 a.m. His Torah portion, Deuteronomy 11:10–11:21, features Moses retelling the covenant between God and the Israelites as they prepare to enter the Promised Land. Inspired by the power of memory and storytelling, Isaac's service project focuses on preserving personal histories. He is recording meaningful conversations with members of his community on the StoryCorps platform, to be archived in the Library of Congress. Isaac hopes that future students will continue this service project at Ohev Sholom, capturing the stories of Ohev's members and their families.

Isaac is an honor roll 6th grader at Mechanicsburg Middle School, where he plays trombone and sings in the chorus. He's an avid lacrosse player and a voracious reader, especially drawn to historical narratives and stories of adventure.

Isaac is known for his curious mind, quick wit, and strong sense of fairness. He is deeply grateful to his mom, Rachael, his dad, Ari, and his younger brother, Ben, for their constant love and encouragement. He extends heartfelt thanks to Rabbis Marc and Tzvia for their guidance and support on this journey.

Isaac and his family are excited to celebrate this milestone with the Ohev community, especially as it will be the first Be Mitzvah officiated at Ohev by our new Rabbi, Tzvia Jasper. All are warmly invited to attend the service, with a celebratory luncheon to follow in the Sisterhood Hall.

SHVITZEN ALTER KAKERS

"AK Riders" made it through a snowy winter, and breakfast meetings helped to keep us connected. A visit to a shooting range was a real adventure and a good, safe time was had by all. So, dust off those bikes, our first official ride is scheduled for Sunday, April 6th with 2 rides per month scheduled through September. We have planned rides down into MD, up to northern PA, and a meet up or two planned with Jewish Motorcycle Association clubs from NY & NJ. ADOPT-A-HIGHWAY

We had a successful Adopt-a-Highway event Saturday morning May 2nd.

Although the participant numbers were small, the volunteers that participated were enthusiastic. The eight individuals enjoyed coffee and bagel sandwiches then headed out and together they collected 3 bags of trash. We will be scheduling another one in the fall, and hoping to increase the numbers of volunteers involved. The more the merrier!

Get Well Wishes

רְפוּאָה:
רָפְאוּנוּ יְהוָה וְנִרְפָּא, הוֹשִׁיעֵנו וְנִשְׁעָה,
כִּי תִהְיֶה אִתָּה, וְהָעֵלָה רְפוּאָה שְׁלֵמָה לְכָל
מִכּוֹתֵינוּ, כִּי אֵל מְלֶכֶךְ רּוֹפֵא נֶאֱמָן וְרַחֲמָן אַתָּה.
בָּרוּךְ אַתָּה יְהוָה רּוֹפֵא חֹלֵי עַמּוֹ יִשְׂרָאֵל.

We send our prayers and healing energy to members of our Temple Ohev Sholom family and loved ones of members who have been hospitalized or injured in recent weeks or who are facing or have had health challenges. Prayers will be offered during Shabbat services when the Mi Shebeirach blessing is said.

Please contact the Temple Office if you would like to add the name of someone you love to the Temple Ohev Sholom healing prayer list, to the list of family members who have died or if there is a celebration or milestone in your life which you want to share with the Temple Ohev Sholom family. Additionally, please let the Temple Office know when you are ready to have names removed from the healing list. (Names may be removed after a few weeks if we don't receive an update.)

Celebrating a special occasion or commemorating a yahrzeit?? How about making a donation in honor of that occasion or person by sponsoring an Oneg or purchasing flowers for our bema on Shabbat??

To sponsor an Oneg, please contact Doreen at Doreen819@verizon.net.

To provide flowers for our bema, contact Fran at Fr1ca19@yahoo.com.

Your name and special occasion or special person you are honoring will be listed in our Friday evening Shabbat handout.
